

Summer Camp

Dear Parents,

Our Summer Camp Calendar is finally complete, and I will take this time to explain how our summer will go this year!!!

We have a lot planned and I hope everyone likes all the things we are going to do this summer

I broke up the calendar so it will be easy to remember what is going on every week.

Mondays are fun cooking days and Fun Crafts to take home

June 21- Luau Day...the children can dress up festive and we will make luau food listen to Hawaiian music, play games like limbo 😊 and have a fun Hawaiian Day

June 28- Let's Bake a Cake... we will bake a cake from scratch and eat it for a snack

July 12- Picnic Outside... we will have a variety of different deli meats and fixings sandwiches to choose from to make for lunch

July 19- Hero Day...Dress as your favorite Hero and we will make Hero Subs

July 26th- Grill Outside...hamburgers and hotdogs on the grill 😊

August 2- Campfire and Sleeping outside if weather permits. We will make smores after lunch and make on a campfire before sleeping in the wild

August 9- Fajita Day ...we will make all kinds of fajitas with all the fixings

Tuesdays are Gym Class taught by Ms. Kristin Celano from KC Dance and Fitness!

Wednesdays are water days!!!! Please bring your child in their bathing suit underneath their clothes and a towel and swim shoes. On July 28th we will have summer pics taken. Even the infants can join!!!

Thursdays are Hip Hop Dance Class every week taught by Ms. Kristin Celano from KC Dance and Fitness. She will have a show at the end of summer.

Fridays are different fun days since we cannot go out. I have planned fun things to come to us 🏠!

June 25th - Pottery Day! We will design our own bowl. After they are done the Pottery people will glaze it for us and it will be ready in 2 weeks. Arrives at 10am!

July 2nd- We will have a Large Foam Party. Wear your bathing suit and jump into the foam pit at 10am.

July 9th - We will have caricatures done of the children to take home for framing! Beginning at 10. The kids will make individual caricatures of our artist!

July 16 - Magic Show by Speed and Thro at 10am...Ms. Kim is being levitated!!!

July 23 - Moon Bounce and Hamster Ball Fun beginning at 10am

July 30 - We are doing Build a Bear!!!!

August 6th- The Science Guys will come out for a Science show and experiments. We will also make bouncy balls and slime on their visit to take home!

August 13th-

- Crab Feast...We are having an end of the Summer Crab Feast for Everyone at 12pm. We will have Crabs, Hamburgers, Hotdogs, Corn on the Cob and Watermelon. Everyone is invited and we will close early at 2pm that day.

This is what I wrote last year about what I was trying to accomplish for the school! Let's see how much I was able to do:

We are doing major improvements to our outside area and I will let all families know now of what I am planning to do for our school.

-We are getting new landscaping by Just-In Time Landscapers (we have a new man doing our landscaping and he will clean up the left side of the yard this year!)

-Mr. Mike Constantini (Roger and Ashley Sauer's kind neighbor) has made a beautiful deck area to eat on in the shade where our old shed was located. (We added a gazebo to cover this area and a grill, thanks Mr. Cagle for putting finishing touches on after Charlie and Flora's Dad put frame together.)

-We acquired a new shed to keep all our summer supplies. (We added another Shed for other activities that we may need)

-We put a small Gazebo on our Toddler side for meals outside...The children have used it already 😊 (we will paint it this year)

-I have a carport coming for the center of our yard. It will be 18 x 21 and will hold our picnic tables so the children can eat outside, do projects outside and have get togethers. (Well, the carport fell through, but we put up a tent that is even better than a carport)

-I am building 8 covered but open Activity "houses" that will have Language, Art, Music, Water and Mud, A House with a "fireplace" and kitchen and three riding areas that the children can play on...a fire truck, a train and a car. Hopefully, these will be done by June 22 to be placed in the yard. I may need some help the day we bring them down on the truck. Anybody wants to volunteer to help, let me know. (they are up and I already need to make some fixes since we have had some crazy weather, but they are up).

-We will have a Swing Fire Pit area for story times, circle time or just relaxing in the shade. Charlie and Flora Rudd's Dad has agreed to help with this project!!! (Charlie and Flora's dad got stationed out of state, even though they keep in touch, so we built a 3 bench area out of trees and it looks very inviting.)

-Wood Chips were put by small climber. (I am getting wood chips for big climber as well.)

Finally, I am going to asphalt the back-parking lot so the children can ride their bikes safely. (Oh yes we did it!!! And it looks nice).

Now we have done a lot of other things to the center besides what I was working on last year:

- We added a greenhouse. The kids are enjoying it now!
- We added all kinds of new bikes and wagons. Even an adult tricycle for teachers to join in on the fun.
- Ms. Chetta's class received a new bathroom
- We bought T-Shirts for all the children to use for water days here at school!! Come take a look. We are all wearing red Little Sunshines Shirts.
- We added a washer and dryer to the school so we can wash clothes and bedding if needed. Thanks to Mr. Epperson for doing out electric!!!
- We bought a new stove and dishwasher (thanks Mr. Morrison for installing)
- We put in cameras so we can always see what's going on in our tiny little school.
- We bought horse mats to put outside in areas where the children will be playing with water to prevent falling.
- We have a teepee tent for circle time!
- All teachers were given an allowance to get what they wanted for their room as well.

We are changing for the better and we are all excited for the new changes to make our school more enjoyable, safe and fun.

If anyone has any questions, please feel to call me, or come in and we can talk.

I hope everyone enjoys all the fun things we will do this summer!!!!

Ms. Kim
